

THE NEW YORK ACADEMY OF SCIENCES

July 29, 1993

George A. Hashim, Ph.D.
Associate Research Director
The Council For Tobacco Research-U.S.A., Inc.
900 Third Avenue
New York, NY 10022

Dear Dr. Hashim:

Let me thank you on behalf of the Academy for your generous support in the amount of \$500 for our conference entitled: *Biology of α_2 -Macroglobulin, Its Receptor and Related Proteins* to be held October 11-14, 1993 in Woods Holes, MA. We certainly appreciate your contribution.

The Council For Tobacco Research-U.S.A., Inc. will be listed in the Abstract Booklet and the resulting volume of the *Annals* under the category "Contributor" and will receive one free copy of the *Annal* that results from the conference. In addition, you will have the option to purchase a maximum of 50 additional copies at the pre-publication price of \$35.00 and as many other addition volumes as you would like at 50% of the full publication price.

An order form for publication is enclosed. The order for the copies at the pre-publication price must be returned to us by the last day of the conference, October 14th. Although the full publication price has not yet been determined, *Annals* volumes usually cost approximately \$125/volume. Orders for additional copies at the 50% discount may be sent at any time. Your order will be processed automatically once the volume the published, typically about one year after the conference.

Conference supporters each receive one guest registration no matter what the level of contribution. Supporters also receive additional guest registrations based on the amount of contribution over \$5,000. I have enclosed a form stipulating the number of guest registrations we can offer you and asking for the name(s) of the people who will use them. Their full conference packets will be waiting for them at the door. We'd appreciate having this form back by September 1, 1993.

Again, our thanks for your generous support of Academy programs.

Sincerely yours,

Lynn Serra
Development Manager
